NATIONAL CEPOD

ORGANISATIONAL QUESTIONNAIRE

Name of hospital

Name of person completing the questionnaire

Position of person completing questionnaire

Outreach Care

1. Does your hospital have an outreach service? (*see definition*) ☐ Yes ☐ No ☐ Unknown

2a. Does your hospital use an early warning system to identify seriously ill patients on the ward? ☐ Yes ☐ No ☐ Unknown

2b. If yes, which system(s)? (*answers may be multiple)*

☐ A Medical Emergency Team
☐ B The Patient At Risk Team (PART)
☐ C The Early Warning Score
☐ D The Modified Early Warning Score (MEWS)
☐ E Other (*please specify)*

Other (E):

ICU

3. How would you classify the participating general ICU? (*tick one only)*

☐ A ICU beds only
☐ B Combined ICU/HDU
☐ C Other (*please specify*)

Other (C):

4. What is the maximum number of Level 3 patients that can be managed on the ICU at any one time?

5. How many patients were managed on the ICU between 1st April 2002 - 31st March 2003?

6a. Does the ICU identify whether ICU patients are **medical** or **surgical**? ☐ Yes ☐ No ☐ Unknown

6b. If yes, what was the percentage of **medical** admissions in the year 1st April 2002 - 31st March 2003? %

6c. If no, what would you estimate was the percentage of **medical** admissions in the year 1st April 2002 - 31st March 2003? %

7. Are there separately **funded** sessions for **consultants** in your ICU? ☐ Yes ☐ No ☐ Unknown

8. How many **funded consultant sessions** are there for intensive care each week? ☐☐☐

9. Does your ICU have documented admission guidelines? ☐ Yes ☐ No ☐ Unknown

10a. Does your ICU use predictive scoring systems for ICU patients? ☐ Yes ☐ No ☐ Unknown

10b. If yes, which system(s)? (*answers may be multiple*)

- ☐ A APACHE II (Acute Physiology and Chronic Health Evaluation II)
- ☐ B APACHE III (Acute Physiology and Chronic Health Evaluation III)
- ☐ C LODS (Logistic Organ Dysfunction System)
- ☐ D MODS (Multiple Organ Dysfunction Score)
- ☐ E MPM I (Mortality Probability Model I)
- ☐ F MPM II (Mortality Probability Model II)
- ☐ G ODIN (Organ Dysfunction and / or Infection)
- ☐ H SAPS II (Simplified Acute Physiology Score)
- ☐ I TRIOS (Three days Recalibrated ICU Outcome Score)
- ☐ J Other (*please specify*)

Other (J): ☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐

Training and Audit

11a. Does the ICU have regular Mortality/Morbidity review meetings? ☐ Yes ☐ No ☐ Unknown

11b. If yes, which health professionals **regularly** attend?

- ☐ A Anaesthetists
- ☐ B Intensive Care Consultants
- ☐ C ICU trainees
- ☐ D Microbiologist/Infection Control
- ☐ E Nurses
- ☐ F Nutrition/Dietetic staff
- ☐ G Operating Department Practitioners
- ☐ H Pathologists
- ☐ I Pharmacists
- ☐ J Physiotherapists
- ☐ K Referring Physicians
- ☐ L Referring Surgeons
- ☐ M Other (*please specify*)

Other (M): ☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐☐
