The full report of Each and Every Need has been downloaded from the NCEPOD website over 6,000 times. The short report has been downloaded over 2,000 times.

For Young People's Mental Health, the qualitative report of was downloaded from the website over 500 times in the first 2 days. The national data report was downloaded over 300 times.

## LOCAL

How the project stimulates quality improvement

Presentation at the Middlesbrough Neurodevelopment conference in May 2018

Presentation at the Norwich Paediatric Directorate/ Neurodisability MDT

Presentation at the Cambridgeshire paediatric palliative care network in September 2018

Presentation at the East of England Trauma and Neuro Rehabilitation Network

Clinical audit tools have been downloaded over 250 times each

The facilities checklist to accompany Each and Every Need has been downloaded over 150 times

Recommendation checklists have been downloaded almost 4,000 times

Support tools were available at the point of publication and were downloaded between 10 (commissioners' guide) and 90 (checklist) times

## SYSTEM

How the project supports policy development & management of the system

Engagement from the National Clinical Director for Children, Young People and Transition to Adulthood

Significant engagement with NHS England on the development of the young people's mental health report to ensure that it is in line with national policy

Joint working with numerous partner organisations on long-term ventilation to ensure consistency across projects – presentations and meetings are already being planned to elicit a joined up approach to the report recommendations

Reports from the programmed are expected to inform updates of NICE guidance

## PUBLIC

How the project is used by the public and the demand for it

Patients are involved in the design of the study

Videos have been put on to YouTube for Each and Every Need – 85 views and an interview with Christopher Myers – 399 views

NCEPOD has recruited a panel of lay representatives to support our entire work programme

Patient survey and information about the programme was sent to local and national patient and carer organisations

Infographic summaries have been produced for recent reports

Patient questions leaflet has been downloaded over 800 times

Channel 4 coverage of a patient involved in the study and his family
